## WORKSHOP & TRAINING SELECTIONS

### WORKSHOPS, LECTURES & PROFESSIONAL DEVELOPMENT TRAININGS

Of the many things Greatness Now™ is well known for, our exceptional workshops, lectures, and professional development trainings are – according to our clients and participants - *a must experience*. It has been our pleasure over the years to provide educationally enriching opportunities that are fun, interactive, and thought-provoking.

While this list represents some of our most requested thus most popular workshops and trainings, this list in no way encompasses the array of topics we have covered and/or are capable of covering. All of our services in this area are provided on a consultant basis with fees varying depending upon several factors. We also welcome the opportunity to craft a specialized workshop, training, or speech to meet your event's needs should you not see anything fitting.

ALL RIGHTS RESERVED. The goals, learning outcomes, and full description of the titles listed are made available upon securing a contract for service. Though shared with the intent to perform a service, the goals, learning outcomes, and full descriptions remain the intellectual property of Greatness Now™ and may not under any circumstances be copied or reproduced without prior permission and authorization from the author/creator.
